Sub: Dissemination of information about the National Space Club to educational institutions.

Sir,

With reference to the subject cited above, I am directed enclose herewith a copy of the Letter No. 143 dt. 07.07.2025 of the India Space Academy and to inform you that the Director of the Academy has conveyed the successful organization of several nationally recognized events, including National Space Day, Aryabhata Satellite Golden Jubilee Celebration, International Observe the Moon Night, and India Space Week. These initiatives have significantly contributed to raising awareness among millions of students, teachers, and citizens about India's space sector and the associated educational and career prospects.

In continuation of this endeavour, the India Space Academy (under the aegis of India Space Week) has launched the National Space Club to serve as a national platform for students, youth, schools, and universities to promote interest in space exploration and scientific research. The club aims to facilitate learning, collaboration, and engagement with the space sector. Members will also receive regular updates on India's space missions and career-related information from ISRO.

Therefore, you are, requested to disseminate information about the National Space Club among the students and faculty members of your institution.

Encl: as above

il orto.

Yours faithfully,

Under Secretary to Government

Request to disseminate information about the National Space Club and to encourage students of the Request to disseminate of the Committees of all educational institutions across Odisha to obtain PSULATE SUIZANCE COmmittees of all educational institutions across Odisha to obtain

Respected Sir/Madam,

Kindly refer to the letter from the India Space Academy bearing reference number I.S.A./N.S.C./143120 dated 07.07.2025.

In reference to the above, we would like to inform you that India Space Week has successfully organized The same same Golden Jubilee Celebration, International Observe the Moon Night, and the India Space Day, with the Event. Through these initiatives, millions of students, teachers, and citizens across the country have gained valuable insights into India's space industry and the educational and career constitutions. several remarkable and nationally recognized events in recent years. These include National Space Day, Aryaphata Satellite Golden Jubilee Celebration, International Observe the Moon Night, and the India Space

In August 2024, during the 'Mann Ki Baat' address by the Honourable Prime Minister Shri Narendra Modi, the publication titled "Bharat: Antariksh Kshetra Ki Nayi Seemaayein" (India: New Frontiers of the Space Sector) recognized India Space Week as the nation's largest and most extensive space education network. Today, it stands as a powerful source of inspiration for millions of students, educators, and science enthusiasts.

To further expand this vision, the India Space Academy (under the aegis of India Space Week) has established the National Space Club. The aim of this club is to bring together India's youth, students, schools, and universities on a single platform to build a national community that inspires interest in space exploration and scientific research.

Through this network, students, teachers, and experts from every village and city in India will have the opportunity to learn, explore, and collaborate under the guidance of the India Space Academy. Additionally, all club members will receive regular updates and information about India's space missions, achievements, and the educational and career opportunities available through the Indian Space Research Organisation (ISRO).

We firmly believe that such initiatives will help students shape a brighter future for themselves and contribute significantly to the scientific development of India.

Therefore, we kindly request you to ensure that the information regarding the National Space Club is widely disseminated to all educational institutions across Odisha — including students, teachers, experts, and science disseminated to all educational institutions across Odisha clubs/committees — and to encourage them to obtain membership. Your valuable support in this nation clubs/committees — and to encourage them to obtain membership. building initiative will be highly appreciate

NATIONAL SPACE CLUB

नेशनल स्पेस क्लब

FOR THE MEMBER, OF THE MEMBER, BY THE MEMBER

Founded by India Space Academy, department of India Space Week

Introduction

National Space Club - A Platform for Space Enthusiasts ,

The National Space Club is a vibrant and dedicated community united by its curiosity and love for space. Whether you are a sky-watcher, an aspiring astrophotographer, a future space scientist, or simply someone who dreams of exploring the cosmos — this club is for you.

Founded by the India Space Academy (a department of India Space Week), the club aims to ignite interest in space science among students and youth, offering them a platform to learn, share, and grow together.

Our Visici

To build an ecosystem of space enthusiasts in the country that brings the Space Exploration closer to everyone and inspires future scientists, explorers, thinkers, and innovators.

Our Mission

To connect space enthusiasts from every corner of India and provide opportunities to learn, explore, and collaborate to make India a global power in space industry under the guidance of the India Space Academy.

Club Activities

Hands on Learning

Hands-On Learning Activities for Space Science are essential to help students and enthusiasts truly experience space concepts through practical exploration.

Build Rocket

Satellite Development

Drone Technology

Astrophotography

Space outreach

Space outreach inspires curiosity and learning by bringing space science to the public through education, hands-on activities, and engagement.

Blog

Social Media

Request to Promote National Space Club Membership Across Educational Institutions

< nsc@isa.ac.in > Mon, 07 Jul 2025 4:40:13 PM +0530

To "cmo"<cmo@nic.in>

Respected Sir, Hon'ble Chief Minister, Odisha India.

We are delighted to announce the launch of the National Space Club, a nationwide initiative by the India Space Academy a unit of India Space Week. This club is designed to bring together students and space enthusiasts across India who are passionate about stars, galaxies, satellites, rockets and space exploration.

The National Space Club is open to all students/faculty/employees of school/colleges/universities/institution across the country and offers a unique opportunity to be part of a growing community dedicated to explore the mysterious of space.

The Benefits of Joining the National Space Club are as follows:

- . Access to exclusive webinars and workshops with leading scientists and space professionals
- . Hands-on experience through space-themed projects and competitions
- . Opportunities to showcase student talent in astrophotography, research, and science communication
- . Certificates and recognition from the India Space Academy
- . Networking with space enthusiasts, educators, and industry experts nationwide
- . Regular updates and content related to current missions, discoveries, and global space news

We invite Odisha State all institution to share this announcement with students and faculty and encourage them to register and take advantage of this national platform.

Register Now: https://nsc.indiaspaceweek.org/membership_form/

A detailed brochure about the club has been attached to this mail.

Regards/सादर
