1.2 Please refer eProcurement Tenders Odisha system generated DATE SHEET for Tender ID and Critical Dates.

1.3 The Tender document and details of terms and conditions can be downloaded from our website www.outr.ac.in & <https://tendersodisha.gov.in>

1.4 The bidders may submit their bid only through uploading in the eProcurement Tenders Odisha Portal <https://tendersodisha.gov.in>. **No bids received by post or by hand or by FAX/E-mail would be considered for evaluation.**

1.5 The Purchaser may, at its discretion, extend the deadline for submission of bids by amending the bid documents in accordance with Clause relating to Amendment of Bidding Documents in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

2. Instructions for Online Bid Submission

2.1 The bidders are required to submit soft copies of their bids electronically on the eProcurement Tenders Odisha Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the eProcurement Tenders Odisha Portal, prepare their bids in accordance with the requirements and submitting their bids online on the eProcurement Tenders Odisha Portal.

2.2 More information useful for submitting online bids on the eProcurement Tenders Odisha Portal may be obtained at: <https://tendersodisha.gov.in>

2.3 REGISTRATION

2.3.1) Bidders are required to enroll on the e-Procurement module of the Govt. of Odisha eProcurement Portal (URL: <https://tendersodisha.gov.in>) by clicking on the link “Online Bidder enrolment”. Enrolment on the eProcurement Portal is free of charge.

2.3.2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

2.3.3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the Govt. of Odisha eProcurement Portal.

2.3.4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.

2.3.5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.

2.3.6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

2.4 SEARCHING FOR TENDER DOCUMENTS

2.4.1) There are various search options built in the eProcurement Odisha Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the eProcurement Odisha Portal.

2.4.2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the eProcurement Odisha Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

2.4.3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

2.5 PREPARATION OF BIDS

2.5.1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.

2.5.2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

2.5.3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

2.5.4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

2.6 SUBMISSION OF BIDS

2.6.1) Bids shall be submitted online only at e-Procurement portal: <https://tendersodisha.gov.in>

2.6.2) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

2.6.3) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

2.6.4) Bidder has to select the payment option as “offline” to pay the tender fee /EMD as applicable and enter details of the instrument.

2.6.5) Bidder should prepare DD for the Tender cost and EMD as per the instructions specified in the tender document. The original should be posted/couriered to **The Registrar, Odisha University of Technology and Research, Techno campus, Mahalaxmi Vihar, Bhubaneswar, PIN- 751 029**, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise, the uploaded bid will be rejected.

2.6.6) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

2.6.7) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

2.6.8) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the

uploaded tender documents become readable only after the tender opening by the authorized bid openers.

2.6.9) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

2.6.10) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

2.6.11) Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

2.6.12) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

2.7 ASSISTANCE TO BIDDERS

2.7.1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2.7.2) Any queries relating to the process of online bid submission or queries relating to e-Procurement module of the Govt. of Odisha eProcurement Portal (URL: <https://tendersodisha.gov.in>) in general may be directed to the 24x7 eProcurement Portal Helpdesk.

2.7.3) Tenderer are advised to follow the instructions provided in the ‘Instructions to the Tenderer for the submission of the bids online through the eProcurement Portal (URL: <https://tendersodisha.gov.in>).

NOTE: At any time before the deadline for submission of proposals, the University reserve the right to add / modify / delete any portion of this document by the issuance of a Corrigendum, which will be published on the website and eProcurement Portal (<https://tendersodisha.gov.in>) and will also be made available to the all the Bidders. The corrigendum shall be binding on all the bidders and will form part of the bid documents

- 14. Liquidated Damage :** The Liquidated Damages shall be levied, for delay in supply beyond the contractual delivery date at the rate 1% per month of delay or part thereof on delayed supply of goods until actual delivery subject to a maximum of 5% of the contract price of the stores the delivery of which is delayed, for each month or part of a month.

15. Bidders compliance to restrictions on Country sharing land border with India

Any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with Competent Authority/ Department for Promotion of Industry and Internal Trade (DPIIT) as per extant GOI rules.

D. GENERAL TERMS AND CONDITIONS:

16. BID EVALUATION PROCEDURES

16.1 Technical bids will be opened and downloaded on the specified date & time by authorised officials. The downloaded tender documents will be evaluated by the Tender Evaluation Committee duly constituted by the competent authority of OUTF Bhubaneswar. Short listing will be done on the basis of eligibility criteria mentioned in the tender.

16.2 Financial bids of those bidders whose technical bids are found valid / suitable / acceptable, shall be opened by the Committee with intimation well in advance through e-tender portal.

17. CLARIFICATION ON TECHNICAL BID EVALUATION

17.1 Technical bids shall be evaluated based on the available documents submitted by the bidder and the methodology adopted by the committee. To assist in the examination, evaluation and comparison of the bids and qualification of bidders, the committee may, at its discretion ask any bidder for a clarification of its bid.

17.2 If a bidder does not provide clarification on its bid asked for in the University's request for clarification, the bid may be treated as not valid and liable for rejection.

17.3 University also reserves the right to seek confirmation / clarification from the issuing agency for the supporting documents submitted by the bidder.

18. FINANCIAL BID PROCEDURE & EVALUATION

1. The financial bid will be opened only for bidders declared eligible and selected after technical evaluation. The financial bid will be opened on a date fixed after evaluation of technical bids and will be intimated to all eligible bidders in advance through e-tender portal.
2. Tender for this contract will be assessed in accordance with Least Cost Selection i.e L1 system. The bidder who has quoted lowest will be awarded the contract.

19. AWARD of Contract :

OUTF Bhubaneswar shall award the contract to the Bidder whose Bid has been determined to be substantively responsive, eligible and qualified, technically suitable and who has offered lowest price as per evaluation criteria.

20. GENERAL (COMMERCIAL) CONDITIONS OF CONTRACT:

1. Bidders should be the manufacturer / authorized dealer. Letter of Authorization from original equipment manufacturer (OEM) on the same and specific to the tender should be enclosed.
2. An undertaking from the OEM is required stating that they would facilitate the bidder on a regular basis with technology/product updates and extend support for the warranty as well.
3. OEM should be internationally reputed Branded Company.
4. The bidder must have both sales and service center with qualified Service Engineers. All after sales support should be provided directly by the manufacturer only.
5. Non-compliance of tender terms, non-submission of required documents, lack of clarity of the specifications, contradiction between bidder specification and supporting documents etc. may lead to rejection of the bid.
6. In the tender, either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender.
7. If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product.
8. **INDEMNITY** : The successful bidder shall indemnify and hold the university harmless from and against all claims, damages, losses and expenses arising out of or resulting from the purchase under the contract provided by the supplier.
9. **VALIDITY OF BIDS**
 - a) The bids shall remain valid and open for acceptance for a period of 120 days from the date of opening of bids.
 - b) **The authority reserves the right** to accept or reject any bid including the lowest and to cancel the bidding process and reject all bids, at any time prior to award of contract, without assigning to any reason thereof or any obligations to inform the affected bidder or bidders of the grounds for the said action.
10. **Literature / Product Datasheet** : All the quotations must be supported by the printed technical data sheet/ literature and the specifications mentioned in the quotation must be reflected/ supported by such printed technical data sheet/ literature. Buyers will match and verify the data sheet with the product specifications offered. Such offered specifications has to outline the offered parameters. In case of any unexplained mismatch of technical parameters, the bid is liable to rejection. Technical compliance statement of the offered products along with public URL of the quoted products to be submitted in the bid.
11. **Equipment breakdown**: Any Equipment breakdown must be attended to within NBD during the warranty period of the equipment free of cost.
12. **Delivery & Installation** : Within 45 Days from the date of Purchase Order.
13. **PACKING**
 - 13.1. The Goods shall be packed and marked in a proper manner and any statutory requirements and any requirements of the carrier(s). In particular, the Goods shall be marked with the OUTFR Bhubaneswar Purchase Order number, the name of the contents shall be clearly marked on each container and all containers of hazardous goods (and all documents relating thereto) shall bear prominent and adequate warnings.

- 13.2. The supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination. The packing shall be sufficient to withstand, without limitation, rough handling during transit. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the final destination and the absence of appropriate handling facilities at all points in transit.
- 13.3. All packaging materials shall be non-returnable.

14. At any time prior to the date of submission of bid, OUTF may, for any reason, either of its own or in response to a clarification from a prospective bidder, modify the bidding documents by an amendment / corrigendum. **Any such amendment / corrigendum will be duly notified through the University's website and e-procurement (Tenders Odisha) Portal <https://tendersodisha.gov.in>.** Prospective bidders are advised to check the both the website every now and then for any amendment / corrigendum.

15. Installation and Commissioning:

Installation and Commissioning shall include the following:

- a. Installation and Testing of the Equipment, Machineries, Software etc. should be done by the tenderer at no extra cost.
- b. It will be the responsibility of the tenderer to provide all necessary spares and consumables, which may be required during installation and commissioning, at no extra cost to purchaser.
- c. The tenderer is to bring their own testing and measuring instruments if required for installation, testing, commissioning, which can be taken back after completion.

21. CODE OF INTEGRITY

1. Commitments of the BUYER

1.1 No official of the University, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person or organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

1.2 The BUYER will during the pre-contract stage, treat all BIDDERS alike and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERS.

1.3. In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with full and verifiable facts and the same is prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit will be taken.

2. Commitments of BIDDERS

2.1 The BIDDER will take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it.

2.2 The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with the bidding process, or to any person, organisation or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.

2.3 The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.

2.4 The BIDDER should refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable fact.

2.5 The Bidder shall not lend to or borrow any money from or enter into monetary dealings or transactions, directly or indirectly, with any employee of the Buyer.

22. Force Majeure:

- i) For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- ii) If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof within 15 days of its occurrence. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- iii) If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of Force Majeure for a period exceeding 60 days, either party may at its option terminate the contract without any financial repercussion on either side.

23. Termination for default: Default is said to have occurred.

- (a) If the equipment or any of its component is found having poor workmanship, faulty designs, poor performance and bad quality of materials used.
- (b) If the supplier fails to deliver any or all of the equipment within the time period(s) specified in the purchase order or any extension thereof granted by OUTR.
- (c) If the supplier fails to perform any other obligation(s) under the contract;

Under the above circumstances OUTR may terminate the contract / purchase order in whole or in part and forfeit the EMD/PBG as applicable. In addition to above, OUTR may at its discretion also take the following actions: OUTR may procure, upon such terms and in such manner, as it deems appropriate, goods similar to the undelivered items/products and the defaulting supplier shall be liable to compensate OUTR for any extra expenditure involved towards goods and services obtained.

24. REPLACEMENT: If the stores or any portion thereof is damaged or lost during transit, the Purchaser shall give notice to the supplier setting forth particulars of such stores damaged or lost during transit. The replacement of such stores shall be effected by the Contractor within a reasonable time to avoid unnecessary delay in the intended usage of the Stores. In case the purchaser agrees, the price towards replacement items shall be paid by the purchaser on the basis of original price quoted in the tender or as reasonably worked out from the tender

25. Applicable Law:

- (a) The contract shall be governed by the laws and procedures established by Govt. of India/Govt. of Odisha within the framework of applicable legislation and enactment made from time to time concerning such Commercial dealings/processing and subject to exclusive jurisdiction of Competent Court and Forum in Odisha only.
- (b) Any dispute and or difference arising out of or relating to this purchase will be resolved through joint discussion with authorised person of University and the representative of the successful bidder. If dispute persists this shall be referred to the decision of Vice Chancellor, OUTR. The decision of Vice Chancellor shall be final

and binding. If either of the parties hereto is dissatisfied with the decision and the dispute persist the Arbitration shall be held in accordance with the provision of Arbitration and Conciliation Act, 1996 and the venue of arbitration shall be at Bhubaneswar. The decision of the Arbitrator shall be final and binding on both the parties.

26. List of Equipment with Technical Specifications

Technical Specifications:

Sl. No.	Name of the instrument with technical Specifications		Unit	Qty.
1	High Temperature Furnace (Approximately 1750 °C Temperature)		No	01
Sl. No	Technical Specifications			
1	Product description	High Temperature Furnace (Approximately 1750 °C Temperature) required for conducting advanced research in material science, solid state chemistry, ceramics and nanomaterials synthesis		
2	Maximum operation temperature °C	1800 °C		
3	Continuous working temperature °C	1750 °C		
4	Chamber Size (HxWxD) Hot Zone (Retort Zone)	150x150x 150mm		
5	Heating Rate	Minimum : 0.5°C /Min Maximum : 30°C/Min		
6	Temperature Accuracy	+/- 0.5 °C		
7	Temperature Uniformity	+/- 2 °C		
8	Skin Temperature:	Less than 50 °C at 1750 °C		
9	Body	MS fabricated dual body structure with duly powder coated. Furnace constructed on heavy duty MS stand. Control panel will be located below the furnace.		
10	Door	Leak proof Swing aside type door with door safety switch		
11	Insulation	Triple wall Insulation. Latest technology low energy consumption Vacuum formed fiber boards on cold face, Hot wall insulation will be 1900° C vacuum formed fiber grade HD boards		
12	Input Power	Single Phase, 230 Volts, 2 Wire, 4.2 KW		
13	Heating Elements	Exposed type heating system with MoSi2 heating element, 4 nos Heating from 2 sides of the chamber for better temperature uniformity		
14	Thermocouple type and number	B type (Duplex) one for control and one for safety (3 point calibration: 500 °C, 1000 °C, 1750 °C NABL certificate is required)		
15	Temperature Controller	PLC based 7" touch screen temperature control system with Data logger. User can fetch temperature recording data through pen drive. 30 segments ramp soak programme facility should be available		
16	Over Temperature Limiter	Digital temperature limiter for thermal safety of heaters and insulation from temperature overshoot ,1 No (3 point calibration :500 °C, 1000 °C , 1750 °C NABL certificate is required)		
17	Thyristor Unit	Reputed brand digital thyristor power controller with soft start/stop facility		

18	Transformer	Reputed brand Noiseless heavy-duty step down power transformer is required. 1 phase	
19	Control switch	Reputed brand Rocker switch, to switch control on/off	
20	Indicators	LED indicator for load and line conditions, 1No	
21	Ammeters	Reputed brand digital ammeter to indicate load current, 1No.	
22	Safety Device	Multispan make safety device is required It should provide safety against <ol style="list-style-type: none"> 1) Short circuit protection 2) Over current 3) Over/under voltage 4) Over/under frequency 5) Unbalanced loading In case of any fault so mentioned above, main supply will automatically go off and buzzer will beep. As soon as the buzzer will be reset or the buzzer button pressed system will start again.	
23	Fault Annunciator	<ol style="list-style-type: none"> 1. Supply and signal voltage 24V to 250V AC/DC. 2. Standard LED colour for fault alarms red and operational indication green. 3. Optional 1:1 Relays Module 4. New value missing with 1-frequency flash light, collective 5. Normally open principle of the report and single acknowledgement inputs. 6. Potential isolation of all electrical circuits by optocouplers 7. Labelled and pluggable terminals. 8. Compact device in 96x96mm housing for panel mounting 9. Transparent windows for customized labeling with slide-in strips. 	
24	Emergency Shut Down Switch	Emergency Shut Down Switch in case of emergency or fault, If this switch is turned off then the complete system will also get shut off, once reset system will also get reset.	
25	Siren	Reputed brand siren is to be fitted, in case of any fault siren will blow like over temperature of Furnace, temperature at door or SS bellow connection increased. When siren will reset it gets off.	
26	On-site validation	On-site validation is required at any 3 points i.e. 500°C, 800°C, 1150°C and all 3- temperature point will hold 1hr each and will provide validation report.	
27	MCB	MCB facility must be there for over current and short-circuit protection to the circuit. Also works as main incomer of the system	
28	Safety Features	Over current protection, Short circuit protection, Over Temperature Protection and Earth fault protection.	
29	Accessories	High temperature Gloves : 1 Pair SS Tong : 1 No External Thermocouple to measure the temperature within the temperature range	
30	Warranty	2 Years or more	

LETTER OF UNDERTAKING AND ACCEPTANCE OF TERMS & CONDITIONS OF BID

To
The Registrar,
Odisha University of Technology & Research,
Ghatikia, P.O.: MahalaxmiVihar,
Bhubaneswar-751 029

Ref : Invitation of Tender Notice No.

Dated.

I/We, the undersigned declare that :

1. I/ We have downloaded / obtained the Bid document(s) for the above mentioned 'Bid/Work' from the web site(s) namely:as per your advertisement, given in the above mentioned website(s).
2. I/ We hereby certify that I / we have read the entire terms and conditions of the Bid documents from Page No. _____ to _____ (including all documents like annexure(s) etc.), which form part of the contract agreement and I / we shall abide hereby by the terms / conditions / clauses contained therein.
3. The corrigendum(s) issued from time to time by your university too have also been taken into consideration, while submitting this acceptance letter.
4. I/We are ready to execute the contract in conformity with the tender document, in case we are found successful as a tenderer.
5. Our bid shall be valid for a period of _____ days from the date of Opening of price bid and shall not revoke the same.
6. If our bid is accepted, I/We undertake to comply all other formalities as per the tender document and purchase order.
7. I/we also declare that neither our firm/company/Proprietorship concerned was blacklisted in past nor any of our office bearer was convicted in any court of law.
8. The detailed particulars of the tenderer is mentioned and attached separately.
9. I / We certify that all information furnished by the our Firm is true & correct and in the event that the information is found to be incorrect/untrue or found violated, then your university shall without giving any notice or reason therefore or summarily reject the bid or terminate the contract, without prejudice to any other rights or remedy including the forfeiture of the full said earnest money deposit absolutely.

Yours sincerely,

Authorized signatory of the Bidder

(Authorised person shall attach a copy of the authorization for signing on behalf of the Bidding Company)

Full name and designation

ANNEXURE - II

(PRE-QUALIFICATION/ELIGIBILITY)

PARTICULARS OF THE BIDDERS TO BE FURNISHED IN TECHNICAL BID FOR THE PURPOSE OF QUALIFICATION:

1.	Name of Organization/Firm/Company	
2.	Address & Telephone Number (Furnish address proof)	
3.	Year of establishment must be in similar business for minimum 05 years upto the date of submission of BID.	
4.	Status of the Firm (Company/Firm/Proprietary) <i>Supporting document to be enclosed.</i>	
5.	Name & Mobile Number of Directors/Partners/Proprietor	
6.	Registered No. of GST. Furnish copies of GST registration certificate.	
7.	Permanent Account Number (PAN) Furnish copy of PAN along with return of preceding three years (2022-23, 2023-24 and 2024-25)	
8.	State Average Annual turnover of the company in last 3 financial year ; 2022-23, 2023-24 and 2024-25. Furnish copies of audited balance sheet & profit & loss account for the last three years Certified Auditor.	
9.	Must have supplied similar equipment to laboratories of State or Central Government Institutions during last 3 financial years ; 2022-23, 2023-24 and 2024-25 and proof of such supplies should be produced	
10.	Whether firm is MSEs Unit: YES/ NO (Please Submit the Documentary Evidence for UAM and ownership details.)	
11.	Copy of ISO certification if any	
12.	Bidder should be qualifying under all Land border rule of Central government	
13	Detail of Bank A/c. : Name of the A/C Holder	
	a) A/C Number	
	b) Name of the Bank and Branch	
	c) IFS Code
