4. Enhance student experience
5. Broaden funding base
6. Attract international students and faculty
7. Advance frontiers of knowledge
8. Enhance diversity
9. Enhance alumni engagement
10. Develop a cleaner and greener campus
11. Foster good human values

All the stakeholders, including the students, are to adhere, maintain and follow these statements.

From the Desk of the
VICE CHANCELLOR

A very warm greetings from Odisha University of Technology and Research (OUTR), Bhubaneswar. It is my pleasure to welcome you to this University which has grown tremendously in past few years, and is slowly but surely evolving in stature. A University is only as good as its people are, and onboarding excellent human resources to facilitate and guide learning.

As you explore our website, I hope you are able to find all the information you are looking for, and more, about this vibrant learning community. If you are a prospective student or a potential colleague and have any specific queries or concerns, do not hesitate to contact us. This Information Brochure provides you with pertinent and adequate knowledge about our University that you may need for some assistance.

Our motto is 'Nurturing minds for a better world', and I do hope that you have reason to partner with us in this endeavour, in whatever way you can. I would like to assure you that we at OUTR are resolved that our University will always prove itself to be the place where everyone is precious and appreciated for his or her intrinsic qualities. The atmosphere over here will constantly endeavour to focus on the complete potential of each and every student and will strive to foster in each one an undying enthusiasm for life-long learning. It is my ardent desire that our University forever be the place where staff members, parents and even other stake holders synergize their resources and creativity to enrich the learning environment in which the students can holistically and fully develop their physical, intellectual, emotional, social and spiritual capabilities. Looking forward to receiving you into our care.

Prof. Bibhuti Bhusan Biswal

ODISHA UNIVERSITY OF TECHNOLOGY AND RESEARCH BHUBANESWAR

INTRODUCTION

The State Government established the “Odisha University of Technology and Research” located at Bhubaneswar by upgrading the College of Engineering & Technology, Bhubaneswar through the Odisha University of Technology and Research Act, 2021 (known as Odisha Act 17 of 2021). The University starts functioning with effect from 8th October, 2021 through Notification No. SDTE-HTE-HTE-II-0012-2021/4578 dated 08.10.2021 of SD&TE Department, Government of Odisha. The First Statutes 2022 of the University was notified vide Notification No. SDTE-HTE-HTE-II-0012-2022/1075 dated 09.02.2023.

The University is governed by the Odisha University of Technology and Research Act, 2021 and its First Statutes, 2022.

The University is located in the Techno Campus at Kalinga Nagar, Bhubaneswar, about 2.0 km away from Khandagiri-Udayagiri caves. It spreads over 100 acres of green campus with 24x7 Wi-Fi coverage in the whole premises, including hostels. The University is 5 km from the bus stop, 8 km from Biju Patnaik International Airport, and 12 km from the Bhubaneswar Railway Station.

5	M. Tech. – Electronics & Communication Engineering	School of Electronic Sciences
6	M. Tech. – Instrumentation & Control Engineering	
7	M. Tech. – VLSI Design & Embedded System	
8	M. Tech. – Semiconductor Technology	School of Infrastructure and Planning
9	M. Tech. – Geotechnical Engineering	
10	M. Tech. – Water Resources Engineering	
11	M. Plan in Urban and Regional Planning	School Mechanical Sciences
12	MTech. – Construction Engineering and Management	
13	M. Tech in Mechatronics and Machine Learning	
14	M. Tech. – Mechanical Systems Design	School Mechanical Sciences
15	M. Tech. – Thermal Engineering	

16	M. Tech. – Textile Engineering	Department of Textile Engineering
17	M. Tech. – Chemical Processing in Textiles	
18	Master of Computer Science & Application	School of Computer Sciences
19	M. Sc. – Chemistry	School of Basic Sciences & Humanities
20	M. Sc. – Mathematics & Computing	
21	M. Sc. –Physics	

5. Two–Year Self-Sustaining (SSP) Post-Graduate Programmes:

Sl. No.	Name of the Programmes	Name of School/Department
1	M. Tech. – Computer Science & Engineering	School of Computer Sciences
2	M. Tech. – Information Technology	
3	M. Tech. – Information Technology (Part-time)	
4	M. Tech. – Instrumentation & Control Engineering (Part-time)	School of Electronic Sciences
5	M. Tech. – Structural Engineering	School of Infrastructure and Planning
6	M. Tech. – Water Resources Engineering (Part-time)	
7	M. Tech. – Industrial Engineering & Management	School of Mechanical Sciences
8	M. Tech. – Industrial Engineering & Management (Part-time)	
9	M. Sc. – Industrial Chemistry(Part-time)	School of Basic Sciences & Humanities

6. Five–Year regular Integrated Post-graduate Programmes

Sl. No.	Name of the Programmes	Name of School/Department
1	Integrated M. Sc. – Chemistry	School of Basic Sciences & Humanities
2	Integrated M. Sc. – Mathematics & Computing	
3	Integrated M. Sc. –Physics	

7. Two–Year Self-Sustaining (SSP) Post-Graduate Business Administration Programmes

Sl. No.	Name of the Programmes	Name of School/Department
1	Master of Business Administration (MBA)	School of Mechanical Sciences

8. Three–Year M.Tech. (Research) Post Graduate Programmes

- i. School of Basic Sciences and Humanities
- ii. School of Infrastructure and Planning
- iii. School of Computer Sciences
- iv. School of Electrical Sciences
- v. School of Electronic Sciences
- vi. Department of Biotechnology
- vii. Department of Textile Engineering

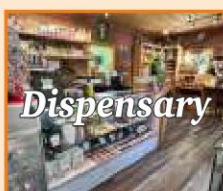

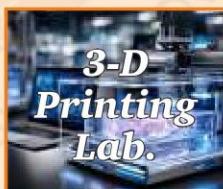

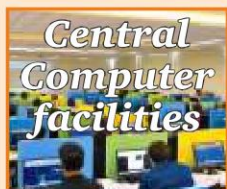

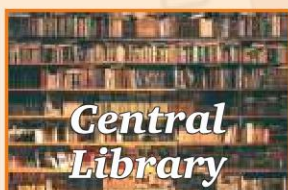

9. Ph. D. Programmes:

- i. School of Basic Sciences and Humanities
- ii. School of Infrastructure and Planning
- iii. School of Computer Sciences
- iv. School of Electrical Sciences
- v. School of Electronic Sciences
- vi. Department of Biotechnology
- vii. Department of Textile Engineering

CENTRAL FACILITIES

The entire University campus, including Boys' Hostel, Ladies' Hostel, Staff Quarter and various academic and administrative buildings are 24x7 Wi-Fi connected with 1 Gbps leased line Internet connectivity through the National Knowledge Network (NKN) scheme. Students, staff and faculty members are successfully utilizing the facility. Besides, we have 20 Mbps internet connections from BSNL under the NMEICT scheme.

Each department has well-equipped laboratories as per the requirements of the curriculum. In addition, some facilities are also available in the campus:

TRAINING AND PLACEMENT CELL

Training and Placement Cell:

The Training and Placement Cell at Odisha University of Technology and Research (OUTR), Bhubaneswar, is committed to enhancing students' employability through continuous skill development, industry engagement, and experiential learning. The university has established **MoUs with leading organizations** to offer industry-aligned training, certification programs, and skill-based learning in emerging technologies through initiatives such as **PwC Launchpad, Cisco Networking Academy, SAP ERP, CTTC, and Coursera**. Regular pre-placement training, technical workshops, expert talks, alumni interactions, and career guidance further prepare students for successful careers. Students are also encouraged to participate in national-level hackathons, coding competitions, and innovation challenges, earning accolades such as **Top 10 National Finalist in Deloitte Hackspllosion** and **Top 5 National Finalist in Cognizant Technoverse 2026**. Additionally, **600+ students** have gained valuable industry exposure through internships at reputed organizations including **HAL, DRDO, NALCO, OPTCL, SAIL, Tata Steel, NTPC, IBM, and Cisco**.

Alumni Spotlight

Placement Highlights:

Highest Package: ₹19.74 LPA, Average Package: ₹ 7.33 LPA, Median Package: ₹ 7.21 LPA

The 2025–26 placement season witnessed 597 job offers from 120 recruiting organizations across IT, consulting, manufacturing, core engineering, infrastructure, analytics, and allied sectors. Tata Consultancy Services emerged as the highest recruiter with 111 offers, while leading organizations such as L&T, JSW, Reliance Industries, Deloitte, PwC, IBM, Maruti Suzuki, Tata Advanced Systems, and UltraTech Cement recruited actively. The strong placement outcomes reflect OUTR's industry collaborations, internship opportunities, and career development initiatives. In addition to campus placements, many students pursued higher education, research, entrepreneurship, and competitive examinations such as GATE, CAT, UPSC, and OPSC.

IMPORTANT INSTRUCTIONS TO THE STUDENTS

Ragging in any form is strictly prohibited

This is for the information of all the students that the order of the Hon'ble Supreme Court of India concerning ragging in educational institutions has been implemented in true spirit in our institute. As per the apex court's directives to institutes in this regard, the institute shall report ragging incidents to the local police and has stipulated that exemplary punishments be given to perpetrators of ragging. The candidate seeking admission to OTR in case found to have indulged in ragging, admission may be cancelled and he/she may be expelled from the institute.

An undertaking is to be submitted in this connection by every student at the time of admission.

Centre of Excellence on Digital Manufacturing

Odisha University of Technology and Research (OUTR), Bhubaneswar and Phillips Machine Tools India have established a Centre of Excellence (CoE) at OUTR to strengthen advanced manufacturing education, research, skill development, and industry–academia collaboration. The SDTE, Govt. of Odisha sponsored CoE is envisioned as a state-of-the-art facility that will provide students, faculty members, researchers, and industry professionals with hands-on exposure to modern manufacturing technologies and industrial practices.

The Centre focuses on advanced manufacturing, additive manufacturing, CNC machining, digital manufacturing, automation, reverse engineering and Industry 4.0 technologies. It will support practical training, laboratory-based learning, internships, workshops, faculty development programmes, and industry-oriented certification courses. The facility will also provide opportunities for students to work on real-world industrial problems and develop innovative solutions through project-based learning.

The collaboration between Phillips Machine Tools and OUTR will facilitate technology transfer, joint research and development, consultancy, prototyping, and entrepreneurship. The CoE will serve as a platform for interaction between academia and industry, enabling continuous alignment of academic programmes with emerging industrial requirements.

Through this initiative, OUTR aims to develop a highly skilled workforce equipped with contemporary manufacturing competencies and promote innovation-driven research. The CoE is expected to contribute significantly to Atmanirbhar Bharat, Make in India, and Industry 4.0 initiatives, while positioning OUTR as a leading centre for advanced manufacturing education and technology development in the region.

Coordinators: Prof.Pramod K Parida, Professor, SMS and Prof.Sudhansu S Sahoo, Professor, SMS

Centre of Excellence on Design and Computational Skilling

The Centre of Excellence on Design and Computational Skilling and Design at Odisha University of Technology and Research (OUTR), Bhubaneswar in association with CADFEM and ANSYS, aims to strengthen computational engineering, digital design, and industry-oriented skill development. The Centre sponsored by SDTE, Govt. of Odisha will provide hands-on training in CAD, CAE, CFD, FEA, numerical modelling, simulation, optimization. It will facilitate certification programmes, internships, workshops, faculty development programmes, consultancy, and collaborative research. The CoE will promote interdisciplinary projects and real-world problem solving through digital engineering and virtual prototyping. It will bridge academia and industry while developing skilled professionals equipped with modern computational tools and Industry 4.0 technologies.

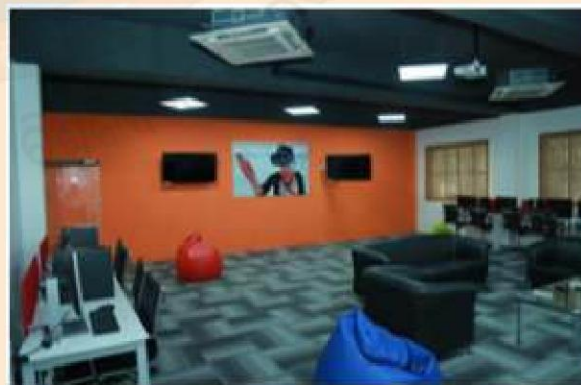

Coordinators: Prof.Saroj K. Pradhan, Professor, SMS and Prof.Deba Satapathy, Professor, Professor, SIP

Centre of Excellence on Smart Manufacturing and AR/VR Lab

The Centre of Excellence (CoE) on Smart Manufacturing and AR/VR Lab, established in collaboration with Siemens, aims to strengthen advanced manufacturing education, digital transformation, and Industry 4.0 skill development at OUTR. The Centre provides students, faculty, and researchers with exposure to smart manufacturing, industrial automation, digital twins, simulation, augmented reality (AR), and virtual reality (VR) technologies. The facility supports hands-on training, industry-oriented projects, workshops, internships, and research activities. It enables learners to understand modern production systems through immersive and interactive technologies. The collaboration will promote industry-academia partnership, innovation, digital manufacturing capabilities, and development of skilled professionals prepared for emerging industrial requirements.

Coordinators: Prof.SmitanjaliBehera, Asst. Professor, SMS and Prof.JitendraNaik, Asst. Professor, SMS

OUTR Foundation for Innovation and Entrepreneurship

OUTR FINE promotes innovation, entrepreneurship, and technology-driven start-ups among students and faculty members, creating a vibrant ecosystem for transforming innovative ideas into impactful products and enterprises.

- Creating an ecosystem for:
 - Ideation and innovation
 - Product and technology development
 - Prototype development
 - Technology commercialization
 - Start-up registration and incubation
- Providing mentorship support from industry experts, successful entrepreneurs, alumni, and domain specialists.
- Supporting start-ups through:
 - Business model development
 - Dedicated incubation facilities
 - Funding and investor connections
 - IPR and patent support
 - Market and industry linkages
 - Support for registration and establishment of companies
- 15 companies/start-ups have been registered/incubated through the OUTR innovation ecosystem.
- Encouraging interdisciplinary and socially impactful innovations addressing real-world challenges.
- Organizing:
 - Hackathons and innovation challenges
 - Start-up boot camps
 - Entrepreneurship development programmes
 - Innovation and technology competitions
