This is to inform all students across all programmes — B. Tech., B. Arch., B. Plan., M. Sc., Int. M. Sc., M. Tech., M. Plan, MBA, and MCA — who wish to avail an educational bank loan for their upcoming Odd Semester (3rd, 5th, 7th and 9th) registration during July/August 2026, that the application process is strictly online.

Step-by-Step Application Procedure:

- 1. Fill out the Google Form:** Students must submit their personal and academic details via the official Google Form link provided below:
<https://forms.gle/pMZAfQaCsYcWEysB6>
- 2. Verification:** The Academic Section will verify the submitted details against university records.
- 3. Issuance of Demand Notice:** Upon successful verification, the Academic Section will generate and send the official signed Demand-Indent letter directly to the student's registered email address for submission to their bank.

Students are strictly directed to double-check their **Name, Registration Number, Semester, and Mail-ID** before submitting. Any discrepancy, spelling error, or incorrect data will lead to immediate rejection during verification, causing unnecessary delays in your loan processing.
