Ref No.: **3306/ACD**

Date: **29/08/2026**

NOTICE

The Student Induction Programme (SIP) – 2026 for the newly admitted students of the University shall be conducted as per the schedule enclosed with this notice. The programme includes orientation and various activities. All Activity Coordinators indicated in the schedule shall be responsible for the planning, coordination and smooth conduct of the respective activities on the specified date and time. They shall make necessary arrangements regarding venue, resource persons, logistics and other requirements in consultation with the SIP Coordinator.

The following instructions shall be followed:

1. Activity Coordinators shall ensure that the assigned activity is conducted as per the approved SIP schedule.
2. The concerned Heads of Schools/Departments and Faculty Advisors shall extend necessary support and ensure the participation and attendance of students of their respective branches.
3. Faculty Advisors shall guide and accompany the students wherever required, particularly during local visits and outdoor activities.
4. The concerned coordinators shall ensure proper discipline, safety and orderly participation of students during all SIP activities.
5. Each Activity Coordinator may associate suitable faculty/staff members and student volunteers for the effective conduct of the activity.
6. Attendance of the participating students shall be maintained for each activity. A brief record of the activity, along with attendance and photographs, shall be submitted to the SIP Coordinator after completion of the activity for documentation.
